Headline:
A cold, cloudy night with showers; some wintry on hills.

This Evening and Tonight:
Cloudy, rather breezy and cold with showers continuing through the night, especially across coastal parts. Showers perhaps turning wintry for short periods over high ground in the west such as the Chilterns. Minimum temperature -1 deg C (30 deg F).

Wednesday:
A mostly cloudy and breezy start with showers continuing from the North Sea, these locally wintry over hills. Fewer showers later in the day, with clearer skies and winds easing. Maximum temperature 4 deg C (39 deg F).

Outlook for Thursday to Saturday:
Cold with overnight frosts and light winds. Mainly dry Thursday, then cloudy with rain and sleet or snow overnight. Sunny intervals and a few wintry showers during Friday and Saturday.
